RUSSIANS HARD PRESSED BUT INFLECT LOSSES ON ENEMY

Czar's Cabinet Realizes that Defeats are Due Largely to Lack of Munitions and Move is Taken to Supply Lack---Stubborn Resistance in Poland---Turks at Gallipoli Exhausted---Norwegian Vessels Sunk by Submarines---Heavy Fighting in Poland

(By Associated Press.)
LONDON, June 30.—The Germans and Austrians are pressing the Russians in their retreat through north-eastern Galicia and northern Poland toward the river Bug. Official reports indicate this, the Russians speaking of "desperate German attacks," which they repulsed. The energy of the pursuit of the retreating Russians is costing the Teutonic forces dearly, Petrograd mentioning the "enormous losses" of the enemy.

EXHAUSTION FACES TURKS

(By Associated Press.)
PARIS, June 30.—An Athens dispatch says exhaustion of the Turks in facing the French at Gallipoli is evident. It is feared that the Turkish position at Krithia will be taken soon by assault. In a recent advance by the French 6000 Turks were found dead in the trenches.

a cargo of wheat valued at nearly \$200,000, was sunk by the German submarine U-39. Thirteen of the crew reached shore. Eight other sailors, German subjects, were taken aboard the submarine. The Norwegian steamship Gjess has been submerged. The crew was rescued.

MUNITIONS BOARD CREATED

(By Associated Press.)
LONDON, June 30.—Russia's reply to the series of brilliant Austro-German victories in Galicia is a law setting up a board of munitions empow-

ered to spend unlimited money and given virtually unrestricted power over all private industries in Russia. Petrograd reported the creation of this board, which became a law with a celerity absolutely astounding. It is taken to indicate that the country realizes that the recent disasters to the forces of Grand Duke Nicholas are largely due to a lack of munitions and equipment.

(By Associated Press.)
AMSTERDAM, June 30.—An offi-

cial Constantinople statement says that the allies thrice attacked the Turkish left wing at Avl Burnu and the Turkish right wing at Seddul-Bahr, but were repulsed with heavy losses. The Turkish center, in counter attacking, captured two lines of trenches, inflicting great loss, and silenced the allied batteries at Cape Tepeh.

MAN WHO IS SUED TRANSFERS THE PROPERTY TO HIS WIFE

After the case of Lambert versus Press, involving lien claims against the Northern dance hall, had been in progress for nearly a day in Judge Averill's court, it developed that the defendant had transferred title to the property and the case went over until the new owner could be joined in the suit. Later it was learned that the new defendant is Mrs. Press.

Another lien case, that of Bryant versus Press, was also tried, the hearing lasting half a day. The action was dismissed.

EL PASO, June 30.—Possibility of

peace is being considered by the leaders of the larger factions in Mexico, and continued search by federal authorities for Felix Diaz, nephew of the former president, who is reported to have arrived in El Paso last night, are the outstanding features of news

of the Mexican situation today. Jose Isabel Robles, minister of war in the cabinet of ex-President Gutierrez, is authority for the statement that the leaders have agreed to discuss peace. There is nothing from Villa or Carranza regarding the peace movement.

HORSE RACES TO BE RUN SUNDAY

ALL ENTRIES MUST BE IN BY 8 O'CLOCK SATURDAY EVENING

One of the features of the Fourth of July celebration will be exciting horse races which will take place Sunday afternoon at 1 o'clock. The course will be on Main street from the Hall liquor house to the Butler building, a short quarter of a mile. Inasmuch as it is rather a stiff grade, the course was thus limited.

There are three prizes hung up and the entrance fees will be added to the purses. The committee consists of Nick Ableman, R. B. Govan and F. C. Wittenberg, the last named being chairman. Entries may be made by applying to any member of the committee. Chief of Police Evans will have sufficient number of men posted along the course to safeguard against accident.

C., who, with George McHenry, a waiter, also of Washington, is being held by the police, accused of attempting the life of Forney's father-in-law, F. T. Carlisle, the chauffeur arrested yesterday at Atlantic City, is extradited, he, too, will face a conspiracy charge.

SOCIAL SESSION OF THE WOMAN'S CLUB

PLANS FOR CELEBRATION OF THE FOURTH DISCUSSED BY MEMBERS

The regular monthly social meeting of the Tonopah Woman's club was held at the home of Mrs. Iven Jeffries in Booker street.

Mrs. Frank Cavanaugh had the reading on "Home Efficiency," the theme being the conservation of energy in the home by the use of labor-saving devices, thereby effecting a substitution of brain for physical energy.

The rule that no formal business be transacted at a social meeting was suspended and the club discussed in general the plans for the float to be entered in the parade on the Fourth; also the cafeteria to be conducted on Monday, the fifth. The float will depict an event of material interest in the history of Nevada and will compete for a prize.

The cafeteria will be centrally located on Main street, the location to be determined at the latest date possible as the club will be forced to rely on premises untenanted at that time. The cafeteria will open at 11 a. m. and continue until all edibles are disposed of. Delicious salads, sandwiches, cakes, cookies, and ice cream, together with good tea and coffee will be served at reasonable prices. Besides the above articles, there will be on sale excellent current jelly, raisin bread, and other delicacies. Everything will be home-made and it is hoped the club will receive a generous portion of the public patronage as the money so raised will go to the recreation fund as the club is determined on some decided form of entertainment for the children during the vacation months. The club desires also to further the playground work.

The following is the guest list: Mesdames Neth, Tetley, Chandler, Loring, and Hyde of Goldfield; the Misses Barbara Horton and Gertrude McNamara.

Delicious cream and wafers, with lemonade, were served, after which the club adjourned until the next regular business meeting, the second Monday in July.

PREPARING FOR CONTEST

Ed Cullinan, chairman of the committee having in charge the first and mine rescue contest on July 4th, reports that three teams are hard at work practicing. This contest will be the principal event of the celebration, at least the greatest amount of money is appropriated for prizes. The entire donation from the Mine Operators' association goes to that purpose.

MENTHYLATED SPIRIT IN PLACE OF VODKA

THOUSANDS OF VICTIMS SUFFER FROM SUBSTITUTE FOR ALCOHOL

(By Associated Press.)
PETROGRAD, June 30.—Up to April 1, from the date of the suppression of the vodka traffic, there have been treated in the Peter and Paul and the Obhovsky hospitals, two of the principal hospitals for the lower classes, 2882 victims of menthylated spirit drinking. Of these 27 died. In two hospitals for the treatment of eye diseases there have been treated 138 patients suffering from partial or total blindness from the same cause. The spirit is obtained by treatment of varnish, eau de cologne and various kinds of polish. The foregoing is the result of the investigation by a special committee named to report to a military commission.

EXPORTS FALL OFF

(By Associated Press.)
WASHINGTON, June 30.—Exports for the week ended June 26 fell to \$41,000,000 and the trade balance in favor of the United States dropped \$10,000,000 to \$9,000,000 for the week, the smallest in months. Of the decrease in the balance \$2,000,000 was due to increased imports and \$8,000,000 to decreased exports.

MORE MONEY NEEDED

The Fourth of July committee finds at the last moment that considerable more interest would attach to the celebration if certain entertaining "stunts" could be pulled off, but will have to be forgotten unless a little more money is donated. The soliciting committees undoubtedly overlooked some people when they made the canvass. In order that nobody may be slighted, any one who is willing to chip in is requested to telephone Treasurer Wittenberg, or the Bonanza, and he will be called upon and relieved of his cash.

R. B. GOVAN returned this morning from a trip to the home of his brother, eighteen miles from Lake Tahoe on the Placerville grade. The illness of his brother occasioned the trip.

MISS LYNCH IN FIRST PLACE IN THE RACE

CONTEST FOR GODDESS OF LIBERTY NARROWS DOWN TO SIX CANDIDATES

The race for the honor of being acclaimed Goddess of Liberty of the Fourth of July celebration, as well as being the recipient of a handsome gown and gift to be always treasured, has narrowed down to six candidates, although it is possible that there will be further entries at the last moment and some surprises may be in store for them, so the ladies already in the race are not losing any time.

Two candidates have withdrawn. Mary Lamb was discovered to be a tiny little tot, whom the Goddess gown would not fit, hence she withdrew. Miss Moore also requested that her name be withdrawn. Following is the standing of the contestants at last evening's count:

Elizabeth Lynch	2822
Lena Fraser	2575
Elizabeth Mervier	2065
Lucille Murphy	1512

MINERS ORGANIZE FIRST AID SOCIETY

C. S. ARTHUR OF U. S. BUREAU OF MINES IS GIVING INSTRUCTIONS

With the assistance of C. S. Arthur of the United States bureau of mines, the Goldfield First Aid society was recently organized with sixteen charter members, all miners employed in the local mines. Mr. Arthur has been instructing the men composing the society in first aid and mine rescue work for several weeks and it was upon his suggestion that the organization was formed, says the Goldfield Tribune.

The society held its first meeting Monday in the high school gymnasium and elected Teddy Patnoe president and John Carmody vice president. Committees were appointed to secure rooms for practice and meetings and compile a constitution and by-laws. The men have made excellent progress with the result that two teams are capable of efficiently performing first aid and mine rescue work. Persons wishing to join the society are requested to communicate with President Patnoe or Vice President Carmody. The charter is still open. It has been suggested that the society members give an exhibition in connection with the Fourth of July celebration, which plan is being considered by them.

THREE GOOD MILLS ARE IN PROSPECT

BOTH BRATTON AND MALONE ARE CONFIDENT OF VICTORY MONDAY

Frank Malone, who boxes ten rounds July 5th at the Airdome with Jack Bratton, is confident of beating Jack and claims to be in the best condition of his life. Malone has shown plenty of speed in his workouts at the Northern. Frank is far from being a novice at the game of give and take. For two years he represented the Olympia club of San Francisco in all of the tournaments held on the Pacific coast; he was amateur undefeated champion for all that length of time and sporting writers in California claimed he was the classiest featherweight turned out by the Olympic club in many years. Malone turned professional a little over a year ago, and was declared a winner on every one of his starts. He beat such boys as Eddie Miller and Freddie Hamman. After his fight with Miller, Malone was taken east by Bob McAllister where he beat Willie Jackson in a ten-round no decision affair in New York. Then he fought and beat a boy they thought was a comer at Manchester, N. H. That boy was Joe Morgan. Malone made a punching bag out of him and won a fifteen-round decision.

Bratton claims to be able to turn a trick which none of the boxers Malone has met have been able to do, and that is to knock him down and out. Jack seems to be hitting harder than ever and is working himself into the condition of his life with Gus Rainier. Their workout is a treat to the fans who turn out to see them work.

Slick Merrill is anxious to do a come and claims he will put the rollers under Nig James. Many fans here have seen Slick fight a lot of tough boys and they are still willing to back him. This fight should be a good one and will be a hard one to pick.

Herb White, who boxes Rainier, is training hard for his ten-round fight with Jack Smith in Goldfield on July 3rd. White is willing to bet he will make short work of Smith, so we are almost sure to see a winner at the Airdome next Monday afternoon.

MONARCH PITTSBURG IS LOOKING BETTER TODAY

A German named Schmidt was shot and killed at Leigh a week ago while trying to escape.
